

TEAM ENTRY FORM CONTINUED

As your team is announced during the pre-race Coffin Parade, let us know some more about your team:

Whether you are a non-profit organization or racing for one, why is this non-profit important?

If you are a business racing for a non-profit, tell us about your business:

What is your team's theme? What will we expect to see?

Shout out to any other people who helped with your racer/team?

How do you plan to bury the competition?

Anything else to add?
